ARIEL B.

**CHOREOGRAPHER
DANCER & PERFORMER
MOVEMENT DIRECTOR &
VISUAL ARTIST**

Raised in a family with strong roots in the performing arts, I developed a passion for music and dance at an early age. My competitive career allowed me to train extensively, perform at numerous competitions and conventions, and achieve success through dedication, discipline, and hard work. These experiences provided valuable opportunities to grow as both an artist and performer while developing a diverse range of skills.

Today, I am focused on sharing my knowledge and experience with the next generation of performers. Through choreography, artistic direction, and creative mentorship, I strive to inspire confidence, creativity, and excellence in aspiring artists, helping them reach their full potential and achieve their goals.
